	Amazing!	You've Got It!	Keep Trying!	Work Harder!
Meeting Academic Expectations	I complete high quality work that goes "above and beyond" expectations.	I complete my work on time according to performance expectations.	I partially complete my work that meets some performance expectations.	I rarely turn in completed work.
Responsibility	I am always in charge of my materials, my work, and myself.	I am mostly in charge of my materials, my work, and myself.	I sometimes take charge of my materials, my work, and myself.	I rarely take charge of my materials, my work, and myself.
Perseverance	I continue thinking and working independently until assignments are complete, even when the work is challenging.	I continue thinking and working and will seek help to complete the assignments.	I give up when the work gets too hard and partially complete the assignments.	I give up right away without trying to complete the assignments.
Cooperation	I participate, follow adult directions, have a positive attitude, make appropriate choices, and encourage others to do the same.	I participate, follow adult directions, have a positive attitude, and make appropriate choices.	I sometimes participate, follow adult directions, have a positive attitude, and make appropriate choices.	I rarely participate, follow adult directions, have a positive attitude, or make appropriate choices.
