

Welcome to 2nd Grade

Dear Marcy Families,

Tamsen, Rachel, and Aaron would like to welcome you to a new year of learning, laughter, love, and experiences in second grade for the 2019-2020 school year! As a primary team, we push our students to stretch their minds and their hearts every day. We have a new team member this year, Aaron, who is excited to join our team. We're happy to be the new 2nd grade team starting this year!

We are excited to get the year started, so feel free to email your child's teacher with information such as: if your child has a preferred nickname, anything we should know about your child, and how your child will get home the first week of school. Looking forward to a wonderful year with you!

You will also be receiving information about an assessment day, which will take place prior to the first day of school. Hope to see you all there!

Something new this year, we are asking for \$10-\$20 and a pair of ear buds for your child in lieu of a supply list. We are hoping that this change will not only be more convenient for families, but it will insure that all students have what they need for the year!
